ASCENDA

ASCENDA is a nutritionally complete formula to support catch-up growth for those who are experiencing growth concerns such as failure to thrive, inadequate nutrition and picky eating. It is scientifically formulated to support the increase of height and weight in as early as 3 weeks. Suitable for children 1-7 years old.

- High in Protein
- Energy dense 1kcal/1ml
- Meets 100% daily intake of Iron and Zinc*
- 0% Sucrose
- Contains key nutrients such as Calcium, Vitamin D, Vitamin K & Protein to support growth and development
- Contains Sphingomyelin (an important component of the brain structure) and DHA (found abundantly in the brain and eye)

* According to Malaysia Recommended Nutrient Intakes (RNI) (2017) (in 2 servings), age 1 - 7 years
